

# Northeast Florida Scholastic Art Awards

## Call for Submissions!

The submission window for the Scholastic Art & Writing Awards opened on Thursday, September 10th. This submission window is open for the Northeast Florida region (encompassing Baker, Clay, Duval, Flagler, Nassau, St. John's, Union, and Volusia Counties) and is open until 11:59PM Thursday, December 10th, 2020.

Students can submit work created anytime in 2020! Teachers and students can register at:

<https://www.artandwriting.org/Login>

*(even if you registered last year, login to ensure your information is correct)*

## What is Scholastics?

Since 1923, the [Scholastic Art & Writing Awards](#) have recognized the exceptional vision of our nation's youth. Established by Scholastic Inc. founder Maurice R. Robinson, the Scholastic Awards have grown to become the nation's highest honor and largest source of scholarships for creative teens. Through a nationwide partner network of more than 100 Affiliates, the 2020 Awards received 320,000 submissions spanning 28 categories of art and writing. All students in grades 7 through 12 (age 13 and up), whether in public, private, or home schools, can submit original works.

## What is NEFSAA?

NEFSAA or [Northeast Florida Scholastic Art Awards](#) is the regional affiliate for the national Scholastic Art Awards. NEFSAA handles the regional adjudication, awards, and art exhibition as well as securing college scholarship opportunities for regional winners. NEFSAA Award winners collected over \$20 million in college scholarship offers between 2017-2020! Gold Key winners at the regional level go on to the national Scholastic Art & Writing Awards competition.

## Submission Information

1. Teacher and Students create an account.
2. Student submits their work digitally (with image(s)/files).
3. Fill out and sign submission form(s).
4. Upload, mail or deliver submission form and submission fee (\$7 for individual entries and \$25 for senior portfolio entries) to the Art Resource Center (address below).

*Once submitted, work is separated according to student age range and medium, then adjudicated by local artists, art professionals, and art educators.*

Work is adjudicated according to three categories:

- Originality
- Technical Skill
- Emergence of Personal Vision/Voice
